Reflect on the topic

What has untapped potential?

Working silently and individually, have each person create a few sticky notes in all four quadrants below for about five minutes. With the remaining time, discuss notes in each quadrant.

What went poorly? Where did we have problems? What was frustrating to us or others?

Avoiding the falling for how to solve gimmicky offres and classification plans problems

Comparing the interest rates in the marked

Maintain a good credit history

What held us back?

to improve the prediction accuracy of this loan by different ML.

I feel it may help most of the people

How should we take action?

What do you believe we should do next? What specific things should we change? What should extend beyond this meeting?
